Guarantee

Rondo Building Services Pty Ltd ('Rondo') guarantees that all components manufactured or approved by Rondo for use in Rondo's Systems (the 'Rondo Systems') with the exception of Rondo 'Exangle® RT' products covered by a separate warranty:

- are designed and conform to Australian Standards AS/NZS2785-2000, AS/NZS 4600-1996, and AS1397 as appropriate,
- shall be free from defects in materials and workmanships,
- and, when designed and installed in accordance with the Rondo brochures and manuals, the relevant provisions of the following NZBC clauses will be met: B1 Structure; B2 Durability; F2 Hazardous Building Materials.

If, within the period stated below from the date of this Guarantee, any Rondo Systems components fail to meet these warranties, Rondo shall, at its discretion:

- replace the defective components, **or**
- supply equivalent replacement components, **or**
- repair the defective components, or pay the costs of repairing those components, **or**
- pay the costs of replacing the defective components or of acquiring equivalent replacement components

but Rondo should not be liable for any special, consequential, direct or indirect loss, damage, harm or injury suffered as a result of such defect, to the extent permitted by law.

This Guarantee may be invalidated by Rondo where:

- installation of the Rondo System components is not materially in accordance with Rondo's recommended installation specifications, as published at the date of this Warranty, **or**
- the Rondo System components are installed in internal locations exposed to moisture or corrosive materials, **or**
- a Rondo System incorporates any components not manufactured or approved by Rondo, **or**
- installation of the Rondo System components is disturbed by other trades, **or**
- Rondo is not paid in full for the Rondo System components supplied.

Period: This Guarantee covers a period of _____ years from the date indicated above.
