ENVIRONMENTAL SUSTAINABILITY CHARTER

AUDIT CERTIFICATE ESC BAND: GOLD

1 JULY 2020 TO 30 JUNE 2021

RONDO BUILDING SERVICES PTY LTD

The Australian Steel Institute's Environmental Sustainability Charter (ESC) requires members of the Charter to be independently audited to the Environmental Management System annually to retain membership and to demonstrate continual improvement and culture change in environmental management of their business operations.

Rondo Building Services Pty Ltd has demonstrated:

- Good environmental practice and progress under the ESC.
- Commitment to environmental improvement.
